

## **PART 4. PREPARING THE ART MANUSCRIPT**

### **4.5 FINAL ART MANUSCRIPT**

The final art manuscript (hard copy and electronic) that you submit must be complete, and must be accompanied by an art log and permission documents. Credit lines, when applicable, must also be included in the art manuscript. Figure numbers in the art manuscript, art log, and permission log (for art from external sources) must match.

For revisions, the tearsheet art manuscript must be complete for all pick-up art showing old and new figure numbers and changes. Hard copies of new art (accompanied by electronic files, when applicable) must also be included.
